Responding to the Persecution of Christians

Harold D. Hunter and Cecil M. Robeck, Jr.
(Editors)

In a nutshell

Essays on the persecution of Christians across the globe

About the book

Suffering with Christ was not only the experience of the early church but is that of much of the church today. This volume presents up to date, global reflections on the different ways in which the church suffers: from class discrimination to government persecution; from inter-religious conflict to tensions between different Christian groups.

With a special focus on Pentecostal/Charismatic Christianity, but also bringing Roman Catholic and Orthodox perspectives into the mix, this book provides both theological and practical insight.

About the Authors

Harold D. Hunter is the Director of International Pentecostal Holiness Church Archives and Research Center. **Cecil Robeck** is Professor of Church History and Ecumenics at Fuller Theological Seminary.
